State of California Announces New Sectors That Can Reopen With Modifications Statewide

San Benito County, California – May 13, 2020: On May 12, 2020 The State of California announced new business sectors that can reopen with some modifications.

Industry specific guidance for newly approved business sectors can be found at <https://covid19.ca.gov/industry-guidance/>

The new sectors approved include:

Limited Services: Limited to full-service car washes, pet grooming, and landscape gardening.

Office-based Business: telework remains strongly encouraged

Outdoor museums: open gallery spaces and other public spaces with modifications

Please follow the industry specific guidance, post the completed checklist along with the SBC Self-Certification Window Placard in your place of business.

** It should be noted that San Benito County has not received approval for a local variance to qualify for Stage 2 expansion which will include Destination Retail and Dine-In Restaurants. **
