# Parent Partner Hubs

The Parent Partner Advisory Committee, in collaboration with the California State Department of Social Services, is proud to invite Peer Partners and youth advocates with lived experience in child and family support organizations such as child welfare, behavioral health, education, mental health and probation, to regional Peer Partner Hubs. The Peer Partner Hubs will provide a safe space to share and learn from each other, to come together in support of each other and to provide an opportunity to connect and network. The Peer Partner Hubs work towards connecting with the broader mission of increasing networking opportunities to peers for more effective collaboration partners.

Regional Peer Partner Hubs will be held across California in the following regions: Northern California, Central California, Bay Area, and three Southern California Hubs. All meetings will be held virtually, via Zoom.
