

San Benito County Public Health Services COVID-19 UPDATE: NOVEMBER 12, 2021 Epidemiologic Week 45: 11/7/2021 - 11/13/2021

This report is based on only available data; not all results have been received.

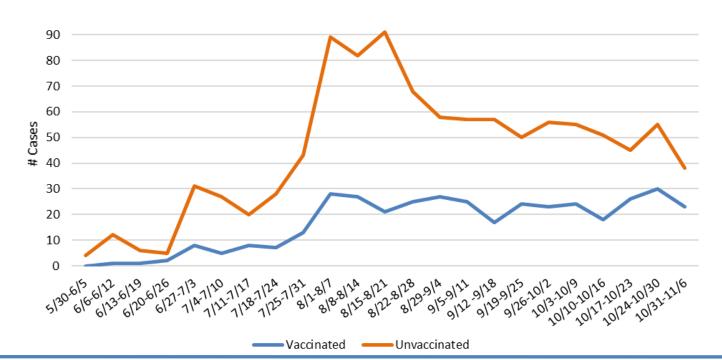

COVID-19 Snapshot

Total Cases	Active	Recovered	Deaths
7,528	71	7,380	77
Hospitalizations	Negative Results	Fully Vaccinated	Partially Vaccinated
324	40,143	36,911	4,340

San Benito County Public Health Services continues to work with medical providers to identify and test individuals who meet criteria for COVID-19 testing. Since November 9, 2021, twenty new cases have been reported, for a total of 7,528 confirmed cases of COVID-19 in SBC. Confirmed cases include patients who have since recovered and those who are deceased. The most recent death was an unvaccinated 52-year old male with one pre-existing condition. Fifty-three percent (3,952 of positive cases reported) were female; ages ranged from 1 day to 101 years (median: 35 years). All results included in this update are current to November 12, 2021 at 3:30PM.

COVID-19 UPDATE: NOVEMBER 12, 2021

This report is based on only available data; not all results have been received.

Variants

- B.1.1.7 (Alpha) variants are associated with approximately 50% increased transmission, and likely with increased disease severity and risk of death. Appears to have minimal impact on the effectiveness of treatments with antibodies.
- B.1.351 (Beta) variants are associated with approximately 50% increased transmission. May have moderately decreased response to antibody treatments.
- B.1.427 and B.1.429 (Epsilon) are associated with approximately 20% increased transmission. There is significantly reduced efficacy of some antibody treatments.
- B.1.526 (lota) is associated with significantly reduced efficacy of some antibody treatments.
- P.1 (Gamma) variants may have moderately decreased response to some antibody treatments.
- B.1.617.2 (Delta) variants are associated with approximately 200% increased transmission. May have moderately decreased response to antibody treatments. (Delta totals include all Delta AY sublineages).
