

2024 SAN BENITO COUNTY

Homeless Point-in-Time Count

Wednesday, January 31st

5:30am - 10:00am

WHAT WILL YOU BE DOING?

Volunteers are an integral part of the Point-in-Time Count effort; they help support a robust and accurate collection of data on our neighbors experiencing homelessness. Volunteers will form a team of friends/family to conduct a visual tally of persons experiencing homelessness across San Benito County on **Wednesday, January 31st**.

Volunteers will work in groups **5:30am to 10:00am**, meeting their team members either at a central deployment center location or a convenient location before walking/driving their assigned routes and aiding with data collection. Volunteers are asked to bring their vehicles to use in the count if they are able.

We cannot conduct this count without you, the community!
