Public present: None

1. **Call Meeting to Order & Roll Call:** The Vice Chair Olivia Tauvinkl called the meeting to order at 4:08 PM. A quorum was not present.
2. **Acknowledge Posting of Agenda:** Esther posted the Agenda on the County's Bulletin Board.
3. **Public Comment:** No public comment.
4. **Approval of Minutes:** Motion to approve Minutes from February, April and May 2025 could not be made due to absence of quorum.
5. **Old Business (Discussion Only):** Esther reported on the Mental Health training CAPC hosted. Shannon Gomez facilitated a great training. It was great that 11 people registered, but disappointing only 4 people attended. Esther suggested perhaps a registration fee needs to be charged, in order to have some commitment. If the registrant attends the training the fee will be reimbursed, if not CAPC will retain the fee. Topic is tabled for further discussion with the council.
6. **New Business (discussion only):**
 - (1) Financial Reports – Not available. Josh did email the current balance of \$141,670.84 to the council members.
Council members would like to review the financial reports.
 - (2) CAPC will be offering small grants to the community – discussed the different grant opportunities and grant models, size of the grants, eligibility, etc. Topic was tabled until further discussion with the council.
7. **Action Items:**
 - a. Council members to research/review possible payment apps/platforms to use for registration fees.
 - b. Council members to provide input on grant models to use as a possible blueprint for our grant offering.

8. Member Announcements: None

9. Adjournment: Meeting adjourned at 4:45 pm.

Please note: Next meeting is scheduled for **Thu., July 10 at 4:00 pm** at the Epicenter not July 3 (due to motorcycle rally)

Respectfully submitted by E. Curtice
