1. **Call Meeting to Order & Roll Call:** Erica Elliott called the meeting to order at 4:08 pm.
2. **Acknowledge Posting of Agenda:** Agenda for August 14 meeting was posted.
3. **Public Comment:** None
4. **Approval of Minutes:** No quorum to approve Minutes from July, 2025 meeting. Tabled to September meeting.
5. **Old Business (Discussion Only):**
 - Discussion regarding CAPC hosted trainings. Too many drop outs at the last minute, charging registration fees and reimbursing when they attend does not seem to be a viable option. Perhaps we need to pursue a different model and partner with other community agencies (Probation, County Office of Ed.) when they offer required trainings for their employees/volunteers.
 - CAPC will be offering small grants to the community – discussed the grant draft and request input (comments/edits) from Council members to be returned by Sep. 2.
 - Josh invited a County Finance Department employee to attend our next meeting to explain and discuss the financial process/policies of offering a grant to the community.
6. **New Business (discussion only):** None
7. **Action Items:** Invite other potential members to attend a CAPC meeting and join.
8. **Member Announcements:** None
9. **Adjournment:** Meeting adjourned at 4:50 pm.

Please note: Next meeting is scheduled for **Thu., Sep. 4 at 4:00 pm** at the Epicenter

Respectfully submitted by E. Curtice
